

Instructor Application

So you want to teach workshops at Spokane Art Supply or Creative Element.

Well, here's the deal.

1. We are always looking for personable, energetic, creative people who love sharing their artistic skills with others.
2. We make our workshop space available for both classes and specialty workshops that promote products we sell. In other words, cake decorating is not for us! That includes tables, chairs, sinks, *a few* easels, overhead mirror. Also available is a small printing press and compressor for airbrush.
3. We expect you to help with your own promotion. You will need to provide individual flyers for your class. In addition we will include all your information on our flyers, build you a web page on our site with a link to your website, and do e-marketing for your class. Success will only come from a team effort.
4. You will be an Independent Contractor not an employee of SAS.
5. If you hold classes at SAS we request that you do not / will not give classes at Hobby Lobby, Michaels or any other Big Box retailer.
6. SAS will handle registration. Student fee will be determined by mutual agreement. You will be paid your portion when the class ends. SAS will give you a 1099 at the end of the year if applicable.
7. Before any dates are reserved you must return this application, send us at least one digital image and make a mock flyer that you will also send to us via e-mail. E-communication skills are an absolute necessity.

Name _____ Company (if applicable) _____

Address _____ Phone _____
